#### II. Action Items (Items from previous meeting):

- a. Review and approve minutes from meeting held on December 14, 2022.

*The mission of DeSoto ISD is to ensure students, without exception, learn and grow at their highest levels.*

# DeSoto Independent School District

## III. Information/Discussion

### a. Fundraisers

- i. Fundraisers subcommittee report on adjustments to policy
- ii. Discuss FFA (Regulation)
- iii. Discuss recommendations (if needed) approval at the next meeting. If adjustments are recommended, the recommendations will be sent to the school board at the last meeting as part of the yearly report.

Recommendation from the fundraiser subcommittee for discussion:

#### Subcommittee Members:

Lawrence Davis  
Shaneri Nash  
Sara Bintrim  
Deliria McCuen

*The Fundraiser subcommittee met last night to discuss the options to revise the local wellness policy in regards to the fundraising policy. The consensus was that we amend the current wellness policy to state the following:*

*"The district will allow up to 2 exemption days per school specifically to be allocated for field days. Exemption days must be submitted to the FSMC prior to the event taking place."*

*We also wanted to stress that the principals understand that an exemption day does NOT allow them to serve snacks at the same time as meal service times. All food being sold during the field days must be sold outside of the meal service times.*

### b. Review Fall 2022 District Survey Data

### c. Update on meal service participation on menu test items and samples

## IV. Information Item:

### a. First Review: Texas A&M AgriLife Extension

- i. Presenter: Jade Edgar

### b. 5 Week Menu Cycle

- i. Presenter:

## V. Review of data

- a. Meeting 4 of 4: Review of Self-care activities to date

## VI. Agenda items to consider for the next meeting:

## VII. Adjourn: Time \_\_\_\_\_

Next meeting:

**May 17, 2023 in ISC Conference Room and via Zoom**

*The mission of DeSoto ISD is to ensure students, without exception, learn and grow at their highest levels.*
